# REDBRIDGE INTERNATIONAL ACADEMY UNVEILS INNOVATIVE INITIATIVES FOR 2025-26

**REDBRIDGE INTERNATIONAL ACADEMY**  
K-12 International School

Redbridge International Academy Unveils Innovative Initiatives for 2024-25 Redbridge International Academy, a leading institution renowned for its commitment to excellence in education, at its vast green expansive campus has unveiled a series of groundbreaking initiatives for the 2024-25 academic year. These new measures aim to enhance the educational experience, foster a dynamic learning environment, and prepare students for a rapidly evolving global landscape.

## 1. Enhanced Curriculum Integration

One of the most notable changes is the integration of a IGCSE & ICSE, into more comprehensive and globally-oriented curriculum. Redbridge International Academy is introducing a series of interdisciplinary courses that combine STEM subjects with the humanities, encouraging students to make connections across different fields of study. This approach is designed to promote critical thinking and problem solving skills, preparing students for the complexities of the modern world.

## 2. Advanced Technology in Campus

In response to the growing importance of technology in education, the Academy has significantly upgraded its technological infrastructure. New interactive smartboards, state-of-the-art virtual reality (VR) systems, and advanced learning management systems (LMS) have been implemented. These tools aim to create a more engaging and immersive learning experience, allowing students to explore subjects in new and innovative ways. Besides, numerous subject wise softwares are being used to supplement learning outcomes. Other areas like transportation, security are all fully tech-enabled.

## 3. Expansion of Extracurricular Programs

Recognizing the importance of holistic development, Redbridge International Academy has expanded its extracurricular offerings. The new initiatives include the introduction of specialized clubs and programs focusing on areas such as coding, robotics, and environmental sustainability. Along with partnerships like Furtados School of Music, Holding professional Art Exhibitions & auction of art work of students is a hugely motivational tool, started by the school. Additionally, partnerships with local and international organizations provide students with opportunities for internships and real-world experiences. The new cricket pitch is an added attraction for the students!

## 4. Emphasis on Mental Health and Wellbeing

The well-being of students remains a top priority. The Academy has introduced a comprehensive mental health program that includes workshops, counseling services, and wellness activities. This initiative aims to support students in managing stress, building resilience, and maintaining a healthy balance between academic and personal life.

## 5. Sustainable Practices and Green Initiatives

In line with global sustainability goals, Redbridge International Academy is adopting a range of green practices. These include a new waste reduction program, energy-efficient facilities, and educational modules on environmental stewardship. The Academy is committed to reducing its carbon footprint and instilling a sense of environmental responsibility in its students. Organic farming & Occasional outdoors, gurukul type classes are efforts in this direction.

## 6. Strengthened Global Connections

The Academy is also enhancing its international partnerships to provide students with a broader global perspective. New exchange programs, collaborative projects with schools around the world, and international guest speakers will enrich the learning experience and help students develop a deeper understanding of different cultures and global issues, as well as guidance on studying abroad.

## 7. Focus on Personalized Learning

To cater to diverse learning styles and needs, Redbridge International Academy is implementing a personalized learning approach. This includes adaptive learning technologies and individualized support plans to ensure that each student can progress at their own pace and receive the attention they need to succeed.

## 8. Parent Communications

In an endeavor to address any parent concerns, asap, Redbridge has created a new communication desk, with an officer, solely tasked to interact with parents, as a single window & address concerns if any, along with a separate parent & whatsapp line. Besides, "We've listening" Webinar series are held for direct interaction of top school management, with the parents.

## 9. Hostel

The Hostel comforts facilities have been upgraded to offer the boarders, modern amenities, aesthetics & comfort, along with delicious homemade food and interested activities & outings. These innovative initiatives reflect Redbridge International Academy's dedication to preparing students for a future that is both challenging and full of opportunities. By embracing cutting-edge technology, expanding educational programs, and prioritizing student well-being, the Academy is set to continue its tradition of excellence in education for the 2024-25 academic year and beyond

### **Mr Rohan Agarwal - A Man of Action and Vision**

Known for his sharp foresight, Mr Rohan Agarwal is a man who lets his actions speak louder than words. Being one of the youngest chairpersons of an international school , he is a true perfectionist at heart.

As chairperson of Redbridge International Academy, Mr. Agarwal has brought numerous accolades to the institution through his focus on technology, environment and sustainability..

Mr Rohan Agarwal is indeed a visionary educator.

## SOUTH INDIA AT THE HELM OF EDUCATIONAL EXCELLENCE

**A**s we unveil this special edition of EDex Awards Chennai 2025, we do more than celebrate success—we honor a transformative force in education. South Indian institutions have long stood as pillars of academic excellence, but today, their impact reverberates beyond regional boundaries, shaping national development and earning global respect.

From the heritage-rich corridors of Chennai to the innovation hubs of Bengaluru and Hyderabad, South India's academic landscape is a powerful catalyst in India's journey toward becoming a knowledge superpower. These institutions are not just producing top-tier graduates—they are driving research, technology, healthcare, entrepreneurship, and cultural leadership. Their role in building human capital and nurturing ethical, future-ready citizens is nothing short of indispensable.

The implementation of the National Education Policy (NEP) 2020 has added fresh momentum to this progress. Embracing multidisciplinary learning, flexible curriculum, and skill-based education, South Indian institutions have been among the first to adapt. Their quick pivot toward NEP-aligned models shows both agility and vision, ensuring their students are prepared not just for the present, but for the challenges of a rapidly evolving world.

Moreover, the global standing of South Indian educational institutions is on a steady rise. Be it through collaborative research, international accreditations, or alumni making waves across continents—these institutions are now global ambassadors of Indian intellect and innovation. They exemplify how tradition and modernity can converge to create education models that resonate

with both local relevance and international aspiration.

This issue salutes the torchbearers of that vision—the preschools, schools, colleges, and universities who are not only meeting the mark but setting new ones. The EDex Awards 2025 - Chennai is not just a recognition—it's a reaffirmation of South India's unmatched contribution to shaping India's educational, social, and economic destiny.

Here's to the changemakers. Here's to education that empowers.

# SOUTH INDIA AT A GLANCE

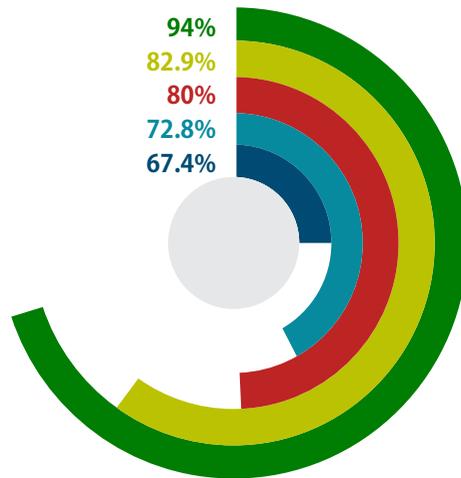

South India has long been a beacon of academic excellence, contributing significantly to India's knowledge economy. With a robust literacy rate, a high density of higher education institutions, and a growing number of globally recognized universities, the southern states—Tamil Nadu, Karnataka, Kerala, Andhra Pradesh, and Telangana—collectively represent a vibrant educational ecosystem. These states have consistently championed both traditional scholarship and cutting-edge research, producing generations of skilled graduates across disciplines.

# NATIONAL MODEL GROUP OF SCHOOLS

COIMBATORE | KARUMATHAMPATTI | UDUMALPET | KOTAGIRI

## BUILDING TOMORROW'S LEADERS

**T**he rise of educational groups in South India is a remarkable trend, rooted in a rich history of intellectual excellence, influenced by colonial legacies and driven by a strong emphasis on scientific and technological education. These educational initiatives, ranging from formal institutions to

private ventures, play a pivotal role in shaping the region's academic landscape and contributing to its economic and social progress. A standout example in this movement is the National Model Group of Schools, an institution dedicated to nurturing future-ready global citizens who are not only academically proficient but also morally upright and socially responsible.

Under the visionary leadership of Dr. P. Mohan Chandar, the Chairman, and with the

support of Mrs. Uma Mohan Chandar, Secretary, along with a dedicated team of principals, teachers and staff, the National Model Group has emerged as a renowned K-12 educational organization in South India. The school's commitment to providing an education that goes beyond textbooks is a key factor in its growing reputation. By fostering intellectual curiosity, encouraging innovation and emphasizing character development, National Model Group of Schools is shaping future leaders who are equipped with both integrity and compassion.

## **NATIONAL MODEL GROUP OF SCHOOLS: AN OVERVIEW**

Founded in 1987 by the late Dr. P. N. Palanisamy with a modest group of students following the matriculation stream, the National Model Group of Schools has witnessed impressive growth over the years, now educating over 6,500 students across multiple campuses.

The group operates several renowned institutions under its banner, each catering to different educational needs:

**MRS. UMA MOHAN CHANDAR,  
SECRETARY**

- National Model Matriculation Hr Sec School (established in 1987)
- National Model Sr Sec School (CBSE) in Coimbatore (2006)
- The Origami Concept School (IGCSE), Coimbatore (2021)
- National Model Sr Sec School, Udumalpet (CBSE) (2022)
- National Model Sr Sec School, Karumathampatti (CBSE) (2023)
- Nikvins Academy for IIT-JEE, CUET and NEET coaching (2023)
- The Origami Concept School (IGCSE), Kotagiri(2025)
- National Model Quantum Leap Academy (ICSE | Montessori), Coimbatore(2025)
- Kinders Zone, a special initiative for Kindergarteners, located in Coimbatore at Peelamedu, R.S.Puram and Gandhi Maanagar, with an extension in Udumalpet at Kottamangalam and Gandhi Nagar.

#### **ADMISSION PROCESS AND ELIGIBILITY CRITERIA**

The National Model Group of Schools follows a well-structured admission process for its various

**OUR MISSION IS TO NURTURE  
YOUNG MINDS, GUIDING  
THEM TO BECOME LEADERS  
WHO INSPIRE POSITIVE  
CHANGE AND CONFIDENTLY  
SHAPE THE FUTURE**

campuses in Coimbatore, Karumathampatti, Udumalpet and Kotagiri, ensuring that students of all backgrounds have access to quality education.

**Admission Timeline:** Applications for the upcoming academic year open from Vijayadashami, providing ample time for prospective students to apply across all campuses.

### **ADMISSION PROCESS:**

**Application Submission:** Prospective students can register in person at the respective campuses.

**Entrance Assessment:** For students applying to higher classes, an entrance test is conducted to evaluate core subjects and reasoning skills.

**Parent-Student Interaction:** A key part of the process involves an interaction between parents, students and the school to understand the student's aspirations, values and overall fit.

**Final Selection:** Admission decisions are made based on academic performance, aptitude and the student's holistic potential, ensuring a well-rounded approach.

The school also offers scholarships to students who demonstrate exceptional abilities, either academically or in extracurricular activities, further promoting its inclusive philosophy. This ensures that

talented students, regardless of their background, can access opportunities for growth and success.

### **COMMITMENT TO EXCELLENCE**

Across all the institutions, the National Model Group of Schools always aims at selecting the best educators with strong subject expertise, relevant qualifications, and substantial teaching experience. The school prioritizes individuals with excellent communication skills, deep subject knowledge and a commitment to continuous professional development. To support this, ongoing training and mentorship are provided to ensure teachers are well-versed in the latest educational practices, enabling them to effectively foster student learning.

To effectively integrate technology into teaching, the National Model Group of Schools invests in continuous upskilling for its educators.

This includes Blended Learning Workshops, which combine traditional and digital methodologies; using Data-Driven Insights to offer personalized instruction; and ensuring teachers are trained in Digital Ethics & Safety, promoting responsible and ethical technology use in the classroom.

### Key Facilities and Safety Measures at National Model Group of Schools

#### ACADEMIC FACILITIES:

- The school is a pioneer in integrating technology, being the first in Asia to equip every classroom with interactive flat panel UHD boards.
- State-of-the-art science, math, and computer labs.
- Career counseling and competitive exam preparation services.
- The school is also home to the NITI AAYOG-approved and funded ATL (Atal Tinkering Lab), which fosters innovation and entrepreneurship among students by providing resources for tinkering, building prototypes and experimenting with technology.

#### SPORTS & ARTS:

- Expansive grounds supporting a variety of indoor and outdoor games such as cricket, football,

basketball, athletics, chess, table tennis and more.

- A robust fine arts program that includes music, dance and theatrics.

#### HOSTEL:

- Safe and comfortable residential facilities available at the Coimbatore and Udumalpet campuses, ensuring a secure and homely environment for students living away from home.

#### SAFETY MEASURES:

- 24/7 CCTV surveillance and professional security personnel to ensure the safety and well-being of all students and staff.
- On-site medical aid and well-equipped emergency response systems to address any health concerns swiftly.

#### ADDITIONAL HIGHLIGHTS

Finally, the group provides valuable global exposure through leadership training and international academic partnerships, empowering students to cultivate a broad, global perspective. As Ms. Uma Mohan Chandar, the Secretary, puts it, “Our mission is to nurture young minds, guiding them to become leaders who inspire positive change and confidently shape the future.”

# KLAY PRESCHOOLS & DAYCARE

*Nurturing Futures  
with Care*

[klay.co.in](http://klay.co.in)

**C**hoosing the right preschool is no small task—it’s a pivotal decision that shapes a child’s early development and learning journey. For new parents, this choice often comes with anxiety and doubt, especially in today’s landscape where preschools are rapidly multiplying, each claiming to offer the best start for young learners. Amidst this overwhelming abundance,

Montessori approach, or a holistic development framework, KLAY continues to meet these expectations—supporting over 60,000 families with unmatched dedication. Recognizing their steadfast efforts and long-standing excellence, we are proud to honor KLAY Preschools & Daycare with the title of Esteemed Preschool of South India 2025 at the EDex Award 2025.

the true challenge lies not in availability but in identifying a preschool that genuinely delivers a safe, nurturing, and stimulating environment.

This is exactly where KLAY Preschools & Daycare makes its mark. Far beyond the noise of generic claims, KLAY has earned its reputation through a commitment to quality, consistency, and care. With a network of thoughtfully designed centers, passionate facilitators, and a well-researched pedagogy tailored to early learners, KLAY stands out as a trusted name in early childhood education.

Whether parents seek a play-based model, a

### **KLAY Preschools & Daycare: An Overview**

Managed by the SHIKSHA Trust, KLAY carries forward over 13 years of dedicated expertise in early childhood education, while empowering working parents—especially mothers—to return to work with confidence and peace of mind.

Recognizing the profound impact of early childhood on lifelong learning, emotional well-being, and social development, KLAY has meticulously designed its curriculum, learning environments, and caregiver interactions to support the holistic growth of every child. Each

aspect of the KLAY experience is rooted in a deep understanding of child development, ensuring that children are not only cared for but also meaningfully engaged and prepared for future learning.

Today, KLAY has grown into India's largest and most trusted company-owned and company-operated network of preschools and daycare centres, with over 170 centres across the country.

What began as a thoughtful solution for working families has evolved into a vibrant community where children flourish and parents feel reassured, knowing they are giving their child the best possible start in life.

### **Programs at KLAY Preschools & Daycare**

KLAY offers a comprehensive range of age-

appropriate programs designed to support the developmental needs of children from 6 months to 10 years:

- **Infant Care (6 months+):** Gentle, responsive care focused on physical and emotional development.
- **Toddlers (18 months – 3 years):** Encourages sensory play, motor skills, early language, and socialization.
- **Pre-K, K1, K2 (3 – 6 years):** A balanced, play-based curriculum that lays strong academic and social foundations for formal schooling.
- **After School Program (up to 10 years):** Offers homework support, enrichment activities, and supervised play.
- **Childcare Post Preschool:** Safe, engaging care for children after preschool hours to support working parents.
- **Learning Advancement Plan (LAP):** Targeted support for children needing individualized attention to reach key learning milestones.
- **KLAY at Home:** Personalized, in-home care by trained caregivers, bringing KLAY's trusted routines to the comfort of home.

Together, these offerings make KLAY a dependable partner in every phase of a child's early learning and care journey.

## Admission Process and Eligibility Criteria

KLAY Preschools & Daycare follows a child-centric and flexible admission process across its centres, ensuring that families can begin their child's early learning journey when they are truly ready.

### Admission Timeline:

Admissions at KLAY are open throughout the year, allowing parents the freedom to enrol their children at any time based on readiness and developmental needs.

### Admission Process:

**Centre Visit & Interaction:** Parents are encouraged to visit their preferred KLAY centre and engage with the team to understand the environment and teaching approach.

**Program Walkthrough:** A guided session is conducted to introduce families to the curriculum, safety protocols, and learning spaces tailored for each age group.

**Eligibility & Placement:** While age is the primary criterion for program placement (Infant Care, Toddler, Preschool, or After School), each

child's individual learning level is also considered to ensure the best fit for their growth and development.

**Enrolment Formalities:** Parents complete the admission form and submit the required documentation to confirm the child's enrolment.

**Child/Infant Personal Record (CPR/IPR)**

**Session:** As part of the onboarding, a personalised one-on-one interaction is held between the parents and the centre staff. This session captures the child's habits, preferences, learning style, and

pace of adaptation, helping create a smooth and nurturing transition into the KLAY environment.

**Safety at KLAY**

At KLAY Preschools & Daycare, safety is more than a protocol — it's a promise that underpins every aspect of the child's experience. Each centre is designed to meet the highest standards of child safety and well-being through:

- Real-time CCTV access for parents
- Restricted entry/exit protocols
- Child-safe infrastructure including padded flooring,

childproofed corners, and safety gates

- Trained safety officers, dedicated nurses, and first-aid certified staff
- Rigorous hygiene and sanitisation routines
- Emergency readiness through regular fire and safety drills
- Comprehensive background checks for all staff
- Active Child Protection Committee and a central Safety Team for audits and policy oversight
- Ongoing staff training on fire safety, emergency response, and everyday classroom safety

KLAY believes that a secure environment empowers children to explore freely, learn confidently, and grow holistically — and that's the environment they ensure every day.

### **Beyond School Readiness**

At KLAY Preschools & Daycare, the focus goes beyond academics — it's about preparing children for life. The curriculum is thoughtfully designed to foster emotional resilience, confidence,

creativity, and compassion, ensuring holistic development.

A standout feature of KLAY is its strong commitment to parent partnership. From onboarding and daily updates to progress reviews, workshops, and family events, parents are actively involved in every stage of their child's learning journey.

KLAY also leads initiatives like the International Summit on Early Years (ISEY), creating a collaborative platform for parents, educators, and experts to engage with the latest trends in early childhood development.

For children needing additional support, the Learning Advancement Plan (LAP) offers a personalised, intervention-led approach to help them meet key milestones.

Driven by the belief that when children thrive, so do families and communities, KLAY strives to make every space — home, school, and workplace — truly family-friendly.

# KMC PUBLIC SENIOR SECONDARY SCHOOL

*Shaping Tomorrow's Leaders  
Through Values and Vision*

[kmcpublicschool.org](http://kmcpublicschool.org)

**A**mong the diverse educational boards available across India, the Central Board of Secondary Education (CBSE) continues to stand out—thanks to its strong academic framework, national recognition, and the ease it offers students in transferring between schools across the country. But beyond academic excellence and logistical advantages, one defining

school in Tirupur, KMC Public School has spent nearly two decades nurturing young minds with a clear focus on quality, inclusivity, and character-building. The school is deeply committed to recognizing the individuality of each student and shaping them into responsible, community-conscious individuals through a broad and balanced curriculum.

aspect of CBSE schools is their emphasis on community involvement. Recognizing that education is not confined to textbooks, the CBSE framework fosters values like collaboration, empathy, and social responsibility. Through thoughtful, community-driven initiatives, students are empowered to become not just informed learners but also conscientious citizens.

In this pursuit of holistic education, only a few institutions rise above the rest—and one such icon is KMC Public Senior Secondary School. Established in 2008 as the first CBSE-affiliated

school in Tirupur, KMC Public School has spent nearly two decades nurturing young minds with a clear focus on quality, inclusivity, and character-building. The school is deeply committed to recognizing the individuality of each student and shaping them into responsible, community-conscious individuals through a broad and balanced curriculum. It is for this unwavering dedication to academic excellence and values-driven education that we are proud to present KMC Public Senior Secondary School with the title of Esteemed CBSE School of South India 2025 at the EDex Awards.

### **KMC Public Senior Secondary School: An Overview**

Located in Perumanallur, Tirupur, Tamil Nadu, KMC Public Senior Secondary School is a distinguished institution run by the KMC Educational Trust and managed by a family with

a rich legacy of academic excellence and cultural values. Guided by the belief that education must reach far beyond textbooks, KMC is committed to developing every facet of a child's growth—intellectual, emotional, interpersonal, and ethical.

The school's curriculum is carefully crafted to instill not only academic knowledge but also practical life competencies such as self-confidence, independence, and leadership. Through an engaging calendar of activities, students cultivate discipline and imagination while discovering their personal strengths. The learning environment is structured yet flexible, blending a guided approach with experiential learning that keeps students motivated.

Drawing from Montessori principles, the school fosters core attributes like sustained focus, purposeful engagement, autonomy, inner discipline, and civic-mindedness. Education at KMC is seen as a collaborative partnership between educators and families, forming a strong foundation that

encourages each child to thrive academically and socially in today's evolving world.

### **Small Class Sizes, Big Academic Gains**

To ensure personalized attention and effective learning, KMC Public Senior Secondary School maintains a small classroom strength of just 25 students. This approach allows teachers to closely monitor and address the individual needs of each learner, creating an environment where every student receives the guidance and support necessary to succeed.

For students in grades IX to XII, the school places strong emphasis on board exam preparedness. Structured academic planning is facilitated through the use of Daily Routine Charts (DRC), which help students manage their daily learning and stay aligned with their academic goals. Continuous assessment is integrated into the system through recap notes, regular homework,

and monthly tests—reinforcing classroom learning and ensuring consistent academic progress.

### **Admission Process and Eligibility Criteria**

KMC Public Senior Secondary School offers a well-structured and transparent admission process designed to identify and nurture young minds at every stage of their educational journey.

#### **Admission Timeline:**

Admissions at KMC are open from March to June each academic year, allowing families ample time to plan and prepare for enrollment.

#### **Admission Process:**

- For Kindergarten and Primary classes, the process begins with a brief and friendly interaction between the child and the respective department heads. This helps assess readiness in a warm, welcoming setting.
- From Grade 6 onwards, students are required to take an entrance test. Admission is offered based on the performance in the test and the availability of seats, ensuring a fair and merit-based selection.

## Eligibility & Placement:

- **Kindergarten:** Admission is granted based on the age criteria as outlined by the educational board.
- **Grades 1 to 5:** Evaluated through age-appropriate readiness and the outcome of the interaction.
- **Grades 6 and above:** Eligibility is determined by the student's age and the marks secured in the entrance examination.

## Key Facilities and Safety Measures

- At KMC Public Senior Secondary School, an enriching educational journey is built on the pillars of innovation, well-being, and meaningful engagement. The institution ensures that students are immersed in an atmosphere that promotes curiosity, skill-building, and confidence through:
- Advanced Science Labs for Physics, Chemistry, Biology, and Computer Science at junior and senior levels.
- ATAL Tinkering Lab fostering innovation, problem-solving, and real-world application of

- classroom learning through tech-based projects.
- Montessori Lab (Level 3 infused) with curated activity rooms.
- A well-stocked library with academic, reference, and recreational material.
- KMC Sports Academy offering specialized coaching in disciplines like karate, yoga, and silambam.
- Proven track record in Sahodaya competitions and national-level tournaments, with students participating in world record events.
- Separate, well-supervised hostels for boys and girls, designed to provide a secure, structured, and academically conducive environment.

## Uncompromising Student Safety

- 24/7 CCTV surveillance across the campus for real-time monitoring.
- Trained security personnel deployed at key checkpoints.
- On-campus KMC Clinic staffed by a qualified nurse to manage health emergencies and routine care.

### **Additional Highlights**

KMC Public Senior Secondary School distinguishes itself through its inclusive, application-based approach to education. As the only school in the Tirupur district to offer the National Institute of Open Schooling (NIOS) in four languages—Hindi, Tamil, Odia, and English—KMC expands access to quality learning for a diverse student body.

The school's comprehensive model is also evident in its dynamic extracurricular ecosystem, featuring 13 unique programs that encourage intellectual, physical, and emotional balance. Among these, rifle shooting—launched by Dr. Sylendra Babu IPS—has become a flagship discipline aimed at sharpening focus and precision.

Other offerings include Silambam, karate, yoga, billiards, table tennis, and chess.

Additionally, abacus training is mandatory for all students, improving mental agility and concentration. With its emphasis on 21st-century skills—critical thinking, innovation, teamwork, and communication—KMC empowers students to adapt, evolve, and lead in an ever-changing global environment.

In every dimension—be it academic strength, experiential programs, progressive teaching, or cultural rootedness—KMC Public Senior Secondary School continues to shape confident and capable individuals, prepared to contribute meaningfully to society.

# SASURIE INSTITUTIONS

*The Torchbearer of Transformative  
Education in South India*

[sasurie.com](http://sasurie.com)

**T**he southern states of India have consistently outperformed several other regions in educational outcomes—a trend rooted in their early and widespread investments in education and public healthcare. With a deep-rooted emphasis on higher education and a tradition of vibrant, competitive democracy, these

contributors to society.

This dedication to quality and values is precisely why EDex Awards 2025 proudly recognizes Sasurie Institutions as the Esteemed Educational Institution of South India 2025—a true testament to its enduring impact and excellence in the field of education.

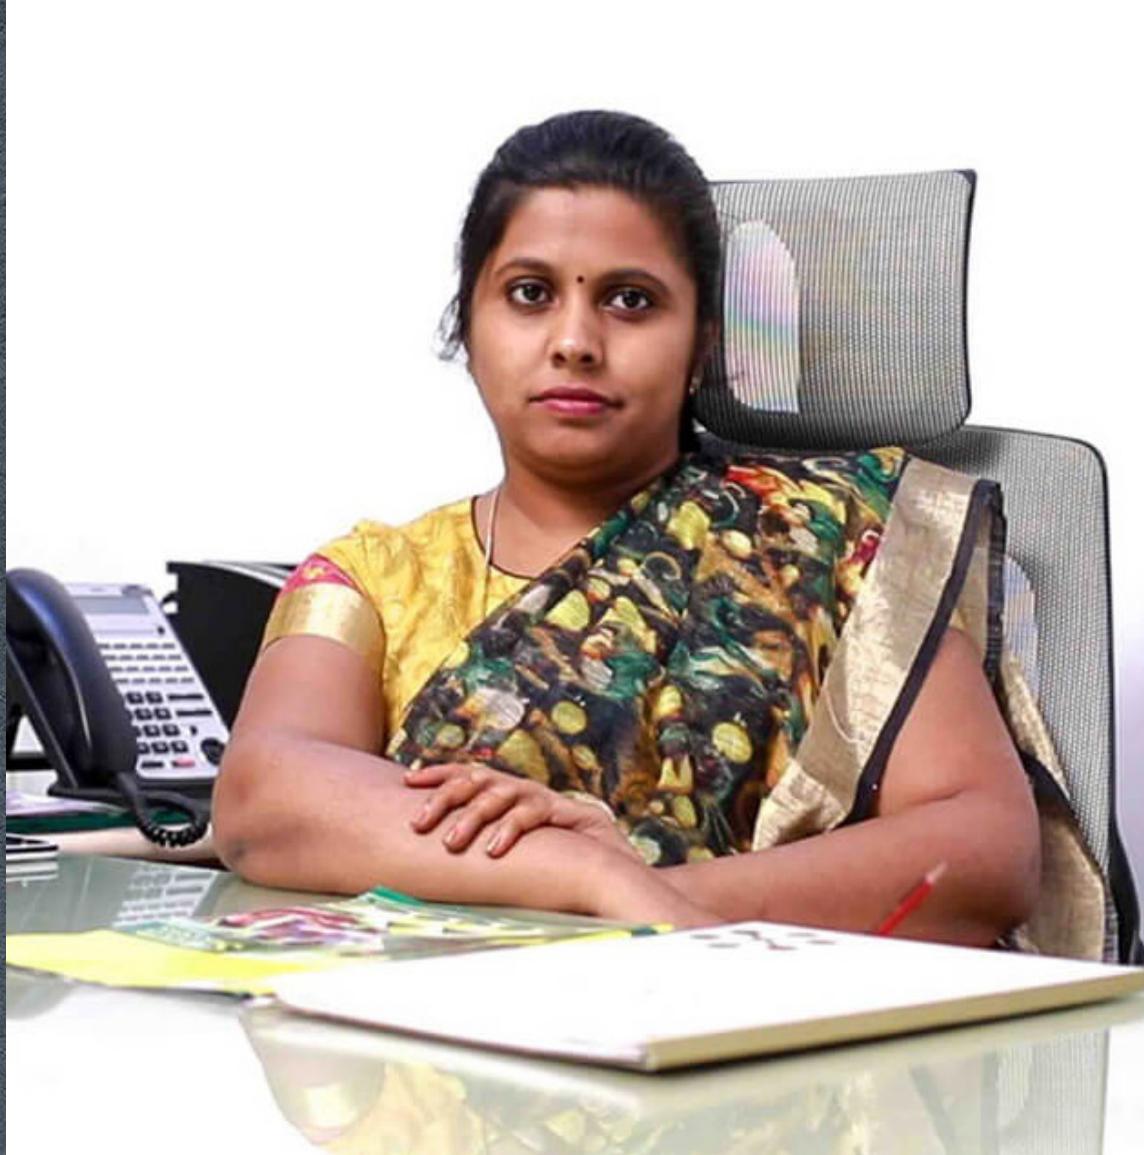

states have ensured better governance and more equitable resource allocation. This foundation has enabled greater access to quality education, nurturing institutions that go beyond infrastructure to focus on impactful teaching and holistic student development.

Amidst the ever-growing number of educational institutes, Sasurie Institutions has distinguished itself through its unwavering commitment to academic excellence and character-building. Founded with a vision to empower students through innovative pedagogy, the institution has been instrumental in shaping individuals who are not only skilled professionals but also responsible

### **Sasurie Institutions in a Nutshell**

Sasurie Institutions was founded under the aegis of the Ponmudi Muthusamy Gounder Trust by its visionary founder and chairman, Thiru A.M. Kandaswami—a respected philanthropist and industrialist. Guided by the firm belief that education holds the power to transform lives, the Trust has continuously worked to establish institutions that not only impart knowledge but also instill values and life skills. This legacy of forward-thinking leadership has shaped Sasurie Institutions into a hub of academic excellence and holistic development.

In an era where educational institutions grapple

**SMT.K. SAVITHA MOGANRAJ,**  
CHIEF EXECUTIVE OFFICER

with rapid technological shifts, evolving student expectations, and increasingly diverse learning needs, Sasurie Institutions has carved a niche for itself. It does so by embracing personalized learning approaches and cultivating strong partnerships with industry, thereby enhancing the employability and readiness of its graduates.

Academic Programs & Admissions at Sasurie Institutions

With a mission to nurture industry-ready, ethically grounded individuals, Sasurie Institutions offers a diverse portfolio of undergraduate, postgraduate, doctoral, and professional courses across Engineering, Management, Arts & Science, Education, and Healthcare disciplines—catering to a wide range of student aspirations.

### **Programs Offered:**

#### **Engineering Programs:**

##### *Undergraduate Programs:*

- B.E. – Civil Engineering
- B.E. – Computer Science Engineering
- B.E. – Computer Science Engineering (Cyber Security)
- B.E. – Electrical and Electronics Engineering
- B.E. – Electronics and Communication Engineering
- B.E. – Mechanical Engineering
- B.Tech – Artificial Intelligence and Data Science
- B.Tech – Information Technology

##### *Postgraduate Programs:*

- M.E. – Computer Science Engineering

**Management Programs:**

- MBA – Human Resource / Marketing / Finance

**Arts & Science Programs:**

**Undergraduate Programs:**

- B.Sc – Computer Science
- B.Sc – Information Technology
- B.Sc – Computer Science (AI & Data Science)
- B.Sc – Computer Science (AI & ML)
- B.Sc – Visual Communication
- B.Sc – Costume Design and Fashion
- B.Sc – Psychology
- BCA
- B.Com
- B.Com (Professional Accounting)
- B.Com (Computer Applications)
- BBA
- BBA (Computer Applications)

***Postgraduate Programs:***

- M.A – English
- M.Sc – Mathematics
- M.Sc – Computer Science
- M.Com (Computer Applications)

***Doctoral Programs:***

- Ph.D – Computer Science / Commerce / Management

***Professional Programs:***

- B.Ed – All Courses
- B.Sc – Pharmacy
- B.Sc – Nursing

***Admission Timeline:***

- Applications typically open from February to June

***Application Process:***

- Online application submission through the institutional portal
- Live Campus Visit available for counseling and interaction
- Entrance exams conducted for select programs (where applicable)

### **Selection Criteria:**

- Primarily merit-based selection
- Assessment through academic records, entrance tests, and interviews (as required)

### **Eligibility Criteria:**

- Undergraduate Programs: Completion of 10+2 or equivalent qualification
- Postgraduate Programs: Relevant Bachelor's degree in the respective discipline
- Ph.D. Programs: Master's degree in the relevant domain with qualifying research credentials as per university norms

### **Technology-Enabled Learning Environment**

Staying ahead in the digital age, Sasurie Institutions has seamlessly integrated technology into its

academic ecosystem, fostering an interactive and accessible learning experience. The institution embraces a blended learning model that enhances both in-class and remote engagement.

### **Key Technological Facilities:**

- Smart Classrooms equipped with audio-visual aids and interactive boards
- Digital Libraries offering extensive e-books, journals, and academic databases accessible across devices
- Online Learning Platforms to support hybrid classes, assignments, lectures, and performance tracking
- Campus-Wide Wi-Fi Connectivity ensuring uninterrupted access to digital resources for students and faculty

### **Commitment to Community & Social Responsibility**

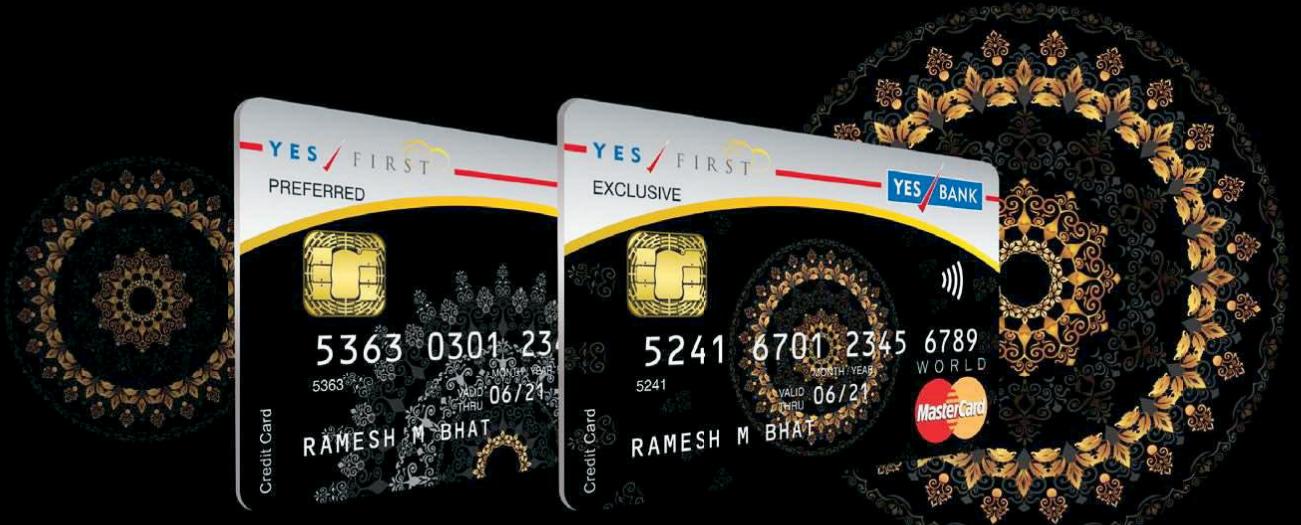

Sasurie Institutions places a strong emphasis on community engagement and sustainable practices as integral parts of its educational philosophy. The institution actively encourages students to take part in outreach programs and socially impactful initiatives, nurturing a deep sense of civic responsibility and ethical awareness. By fostering these values, Sasurie not only shapes competent professionals but also compassionate individuals committed to making a positive difference in society.

With a holistic approach that blends academic rigor, technological advancement, and social consciousness, Sasurie Institutions continues to stand as a beacon of quality education and transformative learning in South India.

# THE BRIGADE SCHOOLS

*Revolutionising Education*

[brigadeschools.edu.in](http://brigadeschools.edu.in)

## VISION OF THE BRIGADE SCHOOLS

*“Our vision is to be an Institution of excellence with every student continuously improving his/her learning ability under the motivating guidance of component facilitators, and by the use of excellent tools in a safe and secure environment.”*

## MOTTO

*“O nanna chetana,  
aagu nee aniketana”  
“O my spirit,  
transcend all  
boundaries!”*

## LOGO

*Our logo, the seagull,  
represents the  
soaring spirit and  
intellectual freedom.*

**W**hether in teaching methods or learning environments, innovative practices lead to more dynamic, engaging, and effective schooling. They encourage new ways of thinking, which in turn foster creativity, curiosity, and problem-solving among students. Innovation also inspires both educators and learners to research, question, and explore the world beyond textbooks, using every available tool to discover and create.

In today's fast-evolving world, every parent aspires to provide their children with an education that goes beyond rote learning—one that equips them to think independently, act responsibly, and adapt to change. Amidst the many schools under the CBSE umbrella in Bengaluru, The Brigade

Schools distinctly shine as pioneers of this vision. Their forward-thinking approach to both teaching and learning has created an environment where innovation is not just encouraged but embedded into the very fabric of the school culture.

We at the EDex Awards are proud to honour The Brigade Schools with the title of Top CBSE School in Bengaluru 2025 for their outstanding commitment to nurturing students who are academically sound, emotionally intelligent and future-ready.

### **An Overview of The Brigade Schools**

When asked about the inspiration behind The Brigade Schools, Mrs. Githa Shankar, Founder

of the institutions, reflects on a deeper purpose rooted in giving back to society. This led to the formation of the Brigade Foundation, ingrained in education, health, and community development. What began as a vision in 2003 soon materialized into reality, with the first Brigade School opening its doors in JP Nagar in June 2004.

Now with three fully operational branches in JP Nagar, Mahadevapura and Malleshwaram, Mrs. Shankar envisions a progressive and holistic path forward for the next five years. She emphasises that schools today must go beyond traditional academics. “We are not just educators anymore—we often step into the roles of caregivers, especially since many young parents are working and may not always be available for their children.” While

The Brigade School, Mahadevpura (Whitefield)

maintaining academic excellence remains a priority, the schools also focus on building life skills, shaping behaviour, and cultivating the right attitude among students.

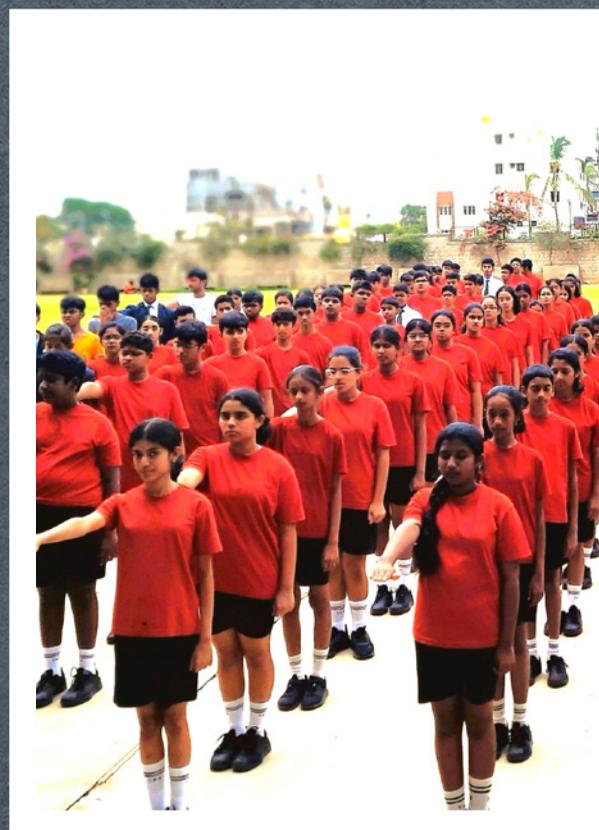

In today's age of digital saturation, Mrs. Shankar believes that education must address the responsibilities of the virtual world as well. "We want our students to understand that their online actions have real-world consequences—they are permanent and traceable," she notes.

### **Admission Process and Eligibility Criteria**

At The Brigade Schools, the admission process is thoughtfully structured to ensure a smooth and transparent experience for parents and students alike. With a commitment to maintaining an optimal student-teacher ratio, each class is limited to just 36 students with four sections per grade.

Parents are encouraged to visit the school campuses to understand the schools' ethos and take a tour of the school.

The eligibility criteria are aligned with Government regulations for the academic year 2025–2026.

## Key Facilities

### Academic Infrastructure:

- Well-equipped laboratories for Physics, Chemistry, Biology, Mathematics, Computer Science, Languages, Montessori and Life Skills, enabling hands-on learning.
- Spacious libraries stocked with a wide range of fiction, non-fiction, and reference books to cultivate reading habits and research skills.

### Sports & Physical Development:

- Comprehensive sports infrastructure in all three schools include:
  - 200-meter athletic track
  - basketball and Volleyball courts
  - football fields
  - swimming pools
  - dedicated space for field events
- Professional coaches and trained physical education instructors to guide students in various sports disciplines.

### Auditorium Facilities:

- State-of-the-art, air-conditioned auditoriums at the JP Nagar

and Mahadevapura campuses for events, performances and assemblies.

### Medical Facilities:

- On-campus infirmary with a qualified nurse available on all campuses.
- Tie-ups with nearby hospitals for immediate medical assistance when required.

### Foundations of Success

When asked what defines the success of The Brigade Schools, Mrs. Githa Shankar shared that happiness is at the heart of it—but it's closely tied to attitude and behaviour. The school strongly discourages bullying and instead fosters empathy, teamwork and mutual support among students. Mrs. Shankar underlined that success is never achieved in isolation;

it requires collaboration between parents, schools and the community.

Regarding expansion plans, Mrs. Shankar expressed a clear commitment to quality over quantity. While there's no intention to grow rapidly, she believes that with around 5,000 students currently, the school can maintain its core value that "every child matters," something she feels could be lost with larger numbers.

Finally, addressing parents and educators, she raised a vital concern about the rising influence of social media and early exposure to risks like substance abuse. She urged adults to stay aware of the evolving world children inhabit, to understand the language they use, and to actively engage with them in order to guide and support them effectively.

# AAM BUSINESS SCHOOL

*Where Business Education Meets Real-World Impact*

avidus.in

## The top 5 highlights of AAM B School

### FLAGSHIP MBA + PGDM PROGRAMS.

Designed to bridge the gap between academic knowledge and industry expertise, our Post Graduate Diploma in Management (PGDM)

Trading Program: A 100-hour intensive course where students not only learn stock trading but also engage in live market activities under expert guidance. This hands-on approach includes coaching for NISM Certification, empowering students to invest and earn during their academic journey.

courses boast 20 specialized domain-related offerings tailored to equip students with in-demand skills which is spread over 500+ hours of intense training.

### KEY PROGRAM HIGHLIGHTS:

**Specialized Training Modules:** Our PGDM portfolio includes industry-relevant certifications in Google Workspace, HR Analytics, Digital Marketing, and Core Accounting. These programs ensure students gain practical expertise and domain mastery. NISM Certification/Stock

With a holistic approach to education, our PGDM courses focus on developing a well-rounded skill set that prepares students to excel in their chosen fields. By integrating real-world applications and expert mentorship, we ensure our graduates are industry-ready and future-proofed for success.

### PROFESSIONAL ARE YOUR PROFESSORS

At AAM Business School, we hold firm to our principle of providing Premium Training Quality, as training is the most powerful tool

**DR.D.T. ROSHINI,  
DIRECTOR**

for transforming individuals and fostering competence. Our approach is rooted in the belief that effective training is the foundation of success, empowering students to meet and exceed industry standards.

Our training team comprises domain experts and market leaders, meticulously screened and handpicked by our in-house training department. These professionals bring not just theoretical knowledge but also practical insights, ensuring impactful learning experiences. With a minimum of 15+ years of industry expertise and many holding doctorates in their respective fields, they exemplify excellence.

At AAM, our focus is on delivering training that inspires, equips, and reinforces learning, preparing our students to lead confidently

### **EARN WHILE YOU LEARN PROGRAM**

This has been devised to help students fund their education by themselves from the Second Year. With our wide network, we place students in reputed corporates and organisations for their

internship period as they pursue their business management studies.

This 9-month internship period gives them valuable practical lessons on the job and they learn far more than any classroom could teach. The best part is that they get to earn an attractive stipend of up to Rs.33,000 a month. This handsome amount helps them cover their Second Year fees on their own, lessening the financial burden on the family.

This also makes students more responsible and helps them acquire a wholesome education.

### **PAY AFTER PLACEMENT PROGRAM**

AAM Business School has the unique distinction of being the only one amongst MBA colleges to offer Pay After Placement facility. We believe that every ambitious student looking to be a manager must have access to quality management education. With this in mind, we devised the concept of Pay After Placement. You can pay up to 25% of your fees after you get successfully placed, so it's just 75% of fees that you pay during the course effectively bringing down the financial burden.

## INDIA'S 1ST INDUSTRY INTEGRATED PROGRAM

The Pay After Placement Program is one of the key features of AAM Business School and makes us much sought after as one of the top MBA colleges in Chennai. Not every college or institution offers pay after placement courses and this works to the advantage of our students. It also reflects our confidence in the quality of education we offer and the industry connects we have.

## PLACEMENTS

With a network of 500+ accomplished alumni, AAM Business School proudly celebrates their success in leading corporates such as TCS, Hewlett Packard, HDFC, HSBC, Kotak Mahindra, Future Group, Reliance, and India Mart, among others. Their achievements

highlight our commitment to preparing students for impactful careers.

Our unparalleled 100% placement record places us among the top MBA colleges in India for placement opportunities. At AAM, students

secure lucrative packages with a minimum salary of ₹4.5 LPA and an impressive highest package of ₹12 LPA. We also ensure that students are placed in various domains like Human Resources, Marketing, Finance, Digital Marketing,

Logistics and Supply Chain, Business Analytics. Our hand's on training and continuous assessment make this possible and each and every student is coached as per their skill level to match the industry standards.

# ANNAPOORANA ENGINEERING COLLEGE

*Academic Excellence Meets  
Social Commitment*

[aeccsalem.edu.in](http://aeccsalem.edu.in)

**I**n an era defined by rapid technological disruption and constant innovation, the need for a forward-thinking and dynamic engineering curriculum has never been greater. As industries evolve, it is essential that academic institutions keep pace by equipping future engineers not only with technical expertise but also with the ability to adapt, think critically, and embrace

professionals who are both technically sound and socially conscious.

In recognition of its outstanding contribution to transforming engineering education in South India, EDex is proud to confer upon Annapoorana Engineering College the prestigious title of “Esteemed Engineering College of South India 2025.”

lifelong learning. A truly innovative curriculum fosters these qualities, empowering students to navigate complex real-world challenges and thrive in the future of work.

One institution that stands out in this regard is Annapoorana Engineering College (AEC), Salem. Renowned for its progressive academic approach, AEC has emerged as a model for inclusive excellence—delivering cutting-edge engineering education while ensuring accessibility for students from socially and economically disadvantaged backgrounds. The college’s commitment to innovation is matched by its dedication to producing industry-ready, globally competent

### **Annapoorana Engineering College: An Overview**

Annapoorana Engineering College (AEC), Salem, was established in 2010 under the visionary leadership of TKVTSSMEC Trust—a pioneering institution that has been delivering quality education in Medicine, Engineering, Dental Sciences, Pharmacy, and Nursing for over three decades. AEC owes much of its foundational strength and enduring legacy to Dr. A. Shanmugasundaram, the esteemed Founder Chairman, whose philanthropic spirit and unwavering commitment to education have transformed the college into a center for social reform, cultural renaissance, and intellectual empowerment.

Today, Annapoorana Engineering College stands tall as an autonomous institution recognized by both the UGC and Anna University, and continues to be a symbol of academic excellence and inclusivity in Southern India. The college has achieved NBA accreditation across multiple disciplines, including Automobile Engineering, Civil Engineering, Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, and Mechanical Engineering. It also proudly holds an NAAC 'A' Grade, along with the 2(f) and 12(B) recognition under the UGC Act of 1956, and is certified under ISO 9001:2015 standards.

### **Bridging the Gap**

One of the most pressing challenges faced by engineering institutions today is keeping pace with rapid technological advancements while ensuring strong placement outcomes. Annapoorana Engineering College addresses this head-on through strategic MoUs with top MNCs, enabling students to stay industry-ready via a wide range of Value Added Courses and Certificate Programs aligned with current industrial needs. AEC also hosts a dedicated Incubation Centre, offering hands-on opportunities for innovation and entrepreneurship.

Furthermore, mandatory internships and in-plant training—up to four weeks each semester—ensure students gain meaningful industry exposure.

### **Admission Process and Eligibility Criteria**

Annapoorana Engineering College (AEC) offers a wide range of undergraduate and postgraduate programs, supported by a clear and merit-based admission process designed to prepare future-ready engineers.

### **Courses Offered:**

- B.E – Automobile Engineering
- B.E – Biomedical Engineering
- B.E – Civil Engineering
- B.E – Computer Science & Engineering
- B.E – Electronics & Communication Engineering
- B.E – Electrical & Electronics Engineering
- B.E – Mechanical Engineering
- B.Tech – Artificial Intelligence & Data Science
- B.Tech – Information Technology
- M.E – Computer Science & Engineering
- M.E – Power Electronics & Drives

### **Admission Timeline:**

Admissions at AEC are typically open from April

to July every academic year. This timeline includes application submission, entrance exams, and the subsequent counseling and seat allotment process.

### **Admission Process:**

Candidates seeking admission must meet the prescribed eligibility criteria and may be required to appear for relevant entrance examinations. The admission process ensures a fair and transparent selection, with opportunities for both merit-based and category-based admissions.

### **Eligibility Criteria:**

For undergraduate programs, applicants must have completed Class 12 or an equivalent qualification with Physics, Chemistry, and Mathematics, securing at least 50% marks in aggregate. Relaxation in minimum percentage is available for candidates belonging to reserved categories, as per government norms.

### **Key Facilities**

To support both academic learning and advanced research, Annapoorana Engineering College offers

a range of well-equipped facilities within its campus.

- Dedicated laboratories for both curriculum-based learning and R&D activities
- Well-stocked central library and digital library
- Over 6,000 books from national and international publishers
- Access to 35+ international journals
- Collection of 28 rare and valuable books for reference

### **Prioritizing Student Well-Being Through Holistic Support Systems**

Overall, Annapoorana Engineering College emerges as a progressive institution that excels not only in academics and technological innovation but also in prioritizing the holistic well-being of its students. The college actively raises mental health awareness through guest lectures and integrates well-being practices into its academic curriculum. By combining comprehensive mental health support with a nurturing campus environment, AEC equips its students to succeed both personally and professionally in an ever-evolving world.

COMMITMENT TO SOCIAL JUSTICE AND WOMEN'S RIGHTS

# BISHOP COTTON WOMEN'S CHRISTIAN LAW COLLEGE

*Raising the Bar*

[bcwclc.edu.in](http://bcwclc.edu.in)

**T**he Indian legal system has witnessed transformative shifts over the decades, responding to changes in society, governance, and global interconnectedness. Central to this evolution have been law colleges, which have not only shaped legal discourse but also adapted continuously to the changing demands of the profession. From their traditional roots to becoming agents of global legal education, these institutions have evolved substantially.

However, the COVID-19 pandemic brought with it a new set of challenges—accelerating the need for innovation, technological integration, and

adapting to these changes well before the pandemic. Known for offering quality LL.B (3-year) and integrated LL.B (5-year) programs, the college holds the unique distinction of being Karnataka’s only law college dedicated exclusively to women. Over the past 23 years, it has grown into a beacon of empowerment—nurturing not just legal minds, but future advocates of women’s rights and social justice.

By instilling a strong sense of purpose and civic responsibility, the institution has consistently championed the cause of women and played an active role in building a just society. In recognition

curriculum reform. Legal education in India can no longer rely solely on conventional methods. Today’s law graduates must be prepared to navigate a legal landscape influenced by digital courts, AI-based research, and tech-driven litigation.

Amid this transformation, Bishop Cotton Women’s Christian Law College stands out as a pioneering institution that recognized and began

of its unwavering commitment to excellence, equity, and empowerment, we at the EDex Awards are proud to bestow upon Bishop Cotton Women’s Christian Law College the title of “Esteemed Law School of South India 2025”—a symbol of its legacy in promoting social justice and its enduring role as an epitome of women-centric legal education.

**PROF. DR. INDIRANI K S,  
PRINCIPAL**

### **Bishop Cotton Women's Christian Law College: An Overview**

Bishop Cotton Women's Christian Law College, recognized by the Government of Karnataka, approved by the Bar Council of India, and affiliated with Karnataka State Law University, Hubballi, continues to uphold its legacy as a premier institution dedicated to women's legal education. The college is led by Principal Prof. Dr. Indirani K. S., and functions under the guidance of a committed Board of Management, operating under the leadership of the Bishop of the Karnataka Central Diocese, Church of South India.

In addition to its regular academic programs, Bishop Cotton Women's Christian Law College offers a diverse range of certificate courses in communication skills, personality development, experiential learning, and cyber security. To

reinforce practical learning, the college provides hands-on exposure through regular involvement in court proceedings, Alternative Dispute Resolution (ADR) sessions, Lok Adalats, jail visits, and engagements with NGOs, effectively bridging the gap between theory and practice.

With a strong focus on student well-being, the institution promotes a balanced lifestyle through yoga and sports activities, while also offering access to on-campus counselors who support students in managing stress and mental health. Furthermore, the college instills a deep sense of social responsibility through its vibrant community outreach initiatives conducted under the Legal Services Clinic, National Service Scheme (NSS), Youth Red Cross, Human Rights Cell, and various Social and Environmental Clubs, fostering a spirit of civic engagement and public service among its students.

### **Admission Process and Eligibility Criteria**

Bishop Cotton Women's Christian Law College follows a transparent and merit-based admission

process designed to evaluate not just academic performance, but also essential personal attributes such as communication and presence of mind. Admissions typically begin in May each year and follow a well-structured procedure to ensure eligible candidates are admitted based on set criteria.

#### **Admission Timeline**

Starts: May

Ends: June

#### **Mode of Admission**

Oral Interview evaluating:

- Communication skills
- Smartness
- Shrewdness
- Presence of mind

#### **Procedure for Admission**

1. Submit application form to the Principal before the deadline.
2. Attach attested copies of:
  - Proof of age
  - Transfer Certificate

- Statement of marks from qualifying exam
- Migration & Eligibility Certificates (if from outside Karnataka)
- Community Certificate (for reserved categories)
- Church Affiliation Certificate (CSI Membership, if applicable)
- Five passport-size photos (one affixed to form)
- Two self-addressed envelopes with ₹10 postage

### Important Note

- All admissions are provisional and subject to approval from Karnataka State Law University (KSLU).

### Key Facilities and Safety Measures

#### Academic Facilities

- Well-stocked state-of-the-art library with a wide repository of legal literature and an integrated e-library.
- Modern classrooms equipped with the latest teaching aids to foster an effective learning environment.
- A fully equipped Moot Court Hall designed to simulate real-life legal proceedings.
- Dedicated Research & Development Centre, Free Legal Services Clinic, and Mediation Centre to

- support practical legal training.
- Women and Child Centre aimed at providing experiential learning and community outreach.
- High-tech computer lab supporting academic and research needs.

### **Co-Curricular & Holistic Development**

- Expansive auditorium for seminars, academic events, and cultural programs.
- Reading room, girls' common room, and separate rooms for various clubs and cells.
- Sports room and regular yoga classes to promote physical and mental wellness.
- Fully equipped gymnasium for students' fitness needs.
- Vibrant cafeteria and an open-air stage for informal gatherings and performances.

### **Hostel & Other Amenities**

- Comfortable hostel facility for outstation students.
- Spacious parking area to accommodate staff and students' vehicles.

### **Safety Measures**

- CCTV surveillance across classrooms and corridors for round-the-clock monitoring.

- 24/7 security personnel stationed at the campus gate for controlled entry and exit.
- Fire extinguishers placed in key locations across campus.
- On-campus Medical Aid Room staffed with an attendant and equipped for first aid emergencies.

### **Achievements, Recognitions, and Community Impact**

Bishop Cotton Women's Christian Law College continues to distinguish itself through numerous accolades and impactful initiatives. The college's NSS unit and Programme Officer have been honored with both University and State Awards for 2022–23, underscoring their exemplary service. Academically, the institution consistently produces University rank holders. Its commendable performance in university-level sports further reflects a well-rounded development approach.

Notably, the college received appreciation from the High Court of Karnataka for conducting a crucial survey related to government fund usage in schools as part of a *Suo Moto* case. These accomplishments reflect the college's holistic and socially responsible educational ethos, positioning it as a beacon of academic excellence and civic engagement.

# CHRIST ACADEMY INSTITUTE FOR ADVANCED STUDIES

*Blending Tradition,  
Innovation & Inclusivity  
in Higher Education*

[caias.in](http://caias.in)

**I**n an era where educational institutions strive to remain relevant amidst rapid technological and societal change, Christ Academy Institute for Advanced Studies (CAIAS) in Bangalore has emerged as a beacon of academic excellence and holistic development. Recently recognized as the “Esteemed Educational Institution of South India 2025” by the prestigious EDex Awards, CAIAS exemplifies how modern education can seamlessly

- BBA
- BBA – Business Analytics
- BCA
- BCA – Artificial Intelligence and Machine Learning
- BCA – Data Science
- BCom
- BCom – Professional (CA)
- BCom – Professional (ACCA)

integrate academic rigor, innovation, inclusivity, and sustainability. Affiliated with Bangalore University and managed by the Carmelites of Mary Immaculate (CMI)—a congregation with over 150 years of educational legacy—CAIAS offers a wide array of undergraduate and postgraduate programs across Management, Commerce, Computer Science, Arts & Humanities, and Sciences.

### Undergraduate Programs

- BA – Journalism, Psychology, English

- BCom – Financial Analytics
- BSc – Physics, Mathematics, and Computer Science
- BSc – Psychology, Journalism, and Computer Science

### Postgraduate Programs

- MBA
- MCA
- MCom
- MSc Psychology
- MA English

With a strong multidisciplinary approach, CAIAS encourages students to explore intersections across fields, fostering the development of well-rounded, future-ready professionals.

What sets CAIAS apart is its deep-rooted commitment to sustainability and social responsibility. Every facet of campus life—from eco-conscious infrastructure to green initiatives and community outreach—is aligned with the goal of nurturing globally responsible citizens. Sustainability isn't just a practice; it is a core value interwoven into the institution's pedagogy and culture, reflecting its broader mission to contribute meaningfully to global development. Guided by the inspiring motto, "Light to Enlighten," CAIAS adopts a student-centric, experiential learning model that emphasizes critical thinking, creativity, collaboration, and problem-solving. Education here goes beyond textbooks—students engage in real-world projects, industry-relevant certifications, and add-on courses that bridge the gap between academia and the workforce.

The institution also champions accessibility and inclusion, ensuring that quality education is available to all, regardless of gender, regional

background, or socio-economic status. The dynamic campus environment, enriched by student clubs/centres, cultural activities, inter-collegiate competitions, and leadership forums, cultivates a balanced and vibrant student life. Importantly, CAIAS is strategically located within accessible distance of Bangalore's major industry hubs, providing students with unparalleled opportunities for internships, industrial visits, and placements. This proximity enables students to explore the professional world first-hand and build networks that significantly enhance their career prospects.

CAIAS graduates embody the institution's core values of Educational Distinction, Sustainability, Conscious Living, and Ethical Leadership, all of which are deeply embedded in their educational journey. Whether they are entering the workforce or pursuing higher studies, they consistently distinguish themselves as professionals who not only demonstrate excellence in their respective fields but also act as responsible global citizens—committed to making meaningful contributions to both society and the environment.

Under the visionary guidance of the Carmelites of Mary Immaculate (CMI), Christ

Academy Institute for Advanced Studies (CAIAS) continues to uphold its commitment to academic excellence and holistic student development. Reflecting this mission, the campus is meticulously designed with world-class infrastructure that supports intellectual, physical, emotional, and ethical growth. From modern classrooms and advanced lecture halls to cutting-edge laboratories in science and computer science, every space is crafted to foster an engaging, hands-on learning experience. The institution also features corporate collaboration rooms, a robust IT infrastructure, and a Wi-Fi-enabled campus, seamlessly integrating technology into education and preparing students for the demands of the world.

The extensive library offers a rich collection of books, academic journals, digital resources, and online databases, empowering students and faculty to pursue rigorous research and continuous learning. The auditorium and dedicated event spaces serve as vibrant venues for seminars, cultural programs, and inter-collegiate engagements, enhancing both academic and social dimensions of student life. CAIAS further promotes physical well-being

through its comprehensive sports infrastructure, including cricket and football fields, courts for basketball, volleyball, and badminton, and regular inter-house and inter-college tournaments that build team spirit and resilience.

In keeping with its core value of sustainability, the campus incorporates eco-conscious architectural design, energy-efficient facilities, and green initiatives that contribute to a healthier planet while instilling environmental responsibility in students. Comfortable residential hostels—separately maintained for boys and girls—offer Wi-Fi connectivity, common recreation areas, and 24/7 security, ensuring a safe and supportive living environment.

The safety and well-being of students are central to the CAIAS experience. The campus is under round-the-clock CCTV surveillance, with trained security personnel managing access points and conducting regular patrols. An emergency medical room and collaborations with nearby hospitals ensure timely health support. Comprehensive emergency protocols, including fire safety systems, and clearly defined safety

procedures, further reinforce a secure campus environment. Together, these facilities not only support academic excellence but also cultivate a nurturing, inclusive, and future-ready educational ecosystem.

At Christ Academy Institute for Advanced Studies (CAIAS), the pursuit of academic excellence is matched by an equally strong commitment to the well-being and professional growth of both students and faculty. Renowned for its team of accomplished and dedicated educators, CAIAS prioritizes continuous faculty development, especially in the integration of technology into teaching. Regular training workshops empower faculty with cutting-edge digital tools, smart classroom techniques, and modern online platforms, ensuring that teaching remains innovative, engaging, and relevant. Educators are encouraged to pursue certifications in educational technology and digital pedagogy, supported by in-house technical teams that facilitate seamless implementation across disciplines.

To ensure quality, CAIAS employs a structured feedback mechanism that captures valuable insights from students and faculty, enabling continuous refinement of teaching practices. Beyond technological integration, the institution actively cultivates a vibrant research and innovation culture. Faculty are strongly encouraged and institutionally supported to publish scholarly articles, present research at national and international academic forums, and engage in collaborative, interdisciplinary projects. In recognition of its role as a driver of knowledge and innovation, CAIAS also promotes and facilitates the filing of patents, encouraging faculty to translate their research into real-world applications with societal and industrial relevance. Through research, recognition programs, and career advancement pathways, the institution empowers educators to remain thought leaders and innovators, significantly contributing to their academic fields and the broader community.

Equally robust is the CAIAS focus on

student mental health, emotional resilience, and personal growth. Through its dedicated Centre for Counselling and Well-being, the institution offers professional counseling services, one-on-one sessions, and psychology-driven initiatives that create a safe and inclusive environment. Workshops on stress management, mindfulness, and emotional intelligence are regularly conducted to equip students with the tools to navigate academic and personal challenges. A comprehensive mentor-mentee system ensures each student receives individualized academic and emotional guidance throughout their journey.

Well-being at CAIAS is not confined to classrooms or clinics—it extends to the broader

campus culture. Students are encouraged to participate in sports, cultural programs, student-led clubs, and recreational activities that foster community engagement and personal fulfillment. Faculty well-being is also recognized as a priority, with the institution creating a supportive environment that values work-life balance, peer collaboration, and professional satisfaction.

Through its holistic approach, CAIAS cultivates a nurturing academic ecosystem where both educators and learners thrive—intellectually, emotionally, and socially. In doing so, it continues to uphold its vision of delivering Unmatched Academic Excellence rooted in innovation, inclusion, and human-centered development.

# MKPM RV INSTITUTE OF LEGAL STUDIES

*Empowering Legal Minds for a  
Just Tomorrow*

[rvils.edu.in](http://rvils.edu.in)

**I**n recent years, legal education in India has undergone a significant paradigm shift. Moving away from the conventional, lecture-heavy model, law colleges are increasingly embracing interactive, experiential, and practice-oriented learning methods. This evolution aligns with the changing demands of the legal profession, which now calls for more agile, well-rounded legal

In response to this need, the MKPM RV Institute of Legal Studies (RVILS) was established in 2018 by the Rashtreeya Sikshana Samithi Trust (RSST) in Bengaluru—India’s Silicon Valley. With a legacy spanning over eight decades in education, RSST envisioned RVILS as a center of excellence that blends academic rigor with real-world readiness. Since its inception, the institute has committed

professionals equipped to handle the complexities of modern law.

At the same time, while the number of law institutes across the country continues to rise, India faces a growing backlog of court cases, a surge in cybercrimes, and a rise in various forms of legal disputes. This dichotomy highlights a pressing concern: despite the proliferation of law colleges, the nation still lacks a sufficiently strong and well-prepared legal force to manage the escalating demands on the judiciary. There is a clear need for institutions that not only educate but empower future legal professionals to drive meaningful change.

itself to nurturing socially conscious, technically sound, and ethically grounded legal professionals.

Recognizing its impactful work and dedication to holistic student development—alongside its vibrant and inclusive campus life—we at EDex are proud to confer upon MKPM RV Institute of Legal Studies the title of “Esteemed Law College of South India 2025”.

### **MKPM RV Institute of Legal Studies: An Overview**

Affiliated with KSLU, Hubballi, and approved by the Bar Council of India, despite being a relatively young institution, RVILS has rapidly gained

recognition for its dynamic and student-centered approach to legal education.

At MKPM RV Institute of Legal Studies (RVILS), the teaching methodology is a thoughtfully curated blend of traditional and modern pedagogical approaches. Faculty members employ diverse techniques such as the lecture method, case studies, role plays, open discussions, peer-to-peer learning, and guest lectures by distinguished legal luminaries, supported by audio-visual aids and video content to enhance classroom engagement and comprehension.

To stay aligned with evolving educational practices, RVILS regularly conducts refresher courses and faculty development programs, equipping teachers to effectively integrate technology into their teaching methods. Additionally, the institute places strong emphasis on the mental well-being of its students through a structured mentorship programme and by organizing expert-led sessions with doctors, counsellors, and motivational speakers, fostering a supportive and holistic learning environment.

Furthermore, the institute actively promotes student participation in a wide range of co-

curricular and competitive platforms, including International, National, and State-Level Moot Court Competitions, Trial Advocacy, Alternate Dispute Resolution (ADR) Competitions, Model United Nations, and Mock Parliaments.

And importantly in pursuit of bettering the academic discourse, RVILS has launched the RV Law Journal (ISSN)—a scholarly platform for critical legal research—and the Nyaya Darpana Lecture Series, which brings together contemporary insights from legal experts and practitioners.

### **Admission Process and Eligibility Criteria**

MKPM RV Institute of Legal Studies follows a systematic admission process in accordance with the guidelines of Karnataka State Law University (KSLU), Hubballi, and the Bar Council of India (BCI), ensuring transparency and academic integrity.

### **Admission Timeline:**

The admission cycle typically runs from April to June, as per the academic calendar prescribed by KSLU.

### **Courses Offered:**

- B.A., LL.B. – 5-Year Integrated Degree Course
- B.B.A., LL.B. – 5-Year Integrated Degree Course
- B.Com., LL.B. – 5-Year Integrated Degree Course (Awaiting BCI approval)
- LL.B. – 3-Year Degree Course (Awaiting BCI approval)

### **Admission Process:**

- **Application Submission:** Interested candidates can apply during the admission window either online or in person at the institute.
- **Merit-Based Selection:** Final admissions are granted based on academic merit, in alignment with university and regulatory body norms.

MKPM RVILS ensures that its admission process not only adheres to statutory requirements but also upholds the institution's commitment to cultivating a diverse and talented legal community.

### **Key Facilities and Safety Measures Academic Facilities:**

- A well-equipped library featuring a wide range of reputed legal journals, commentaries, and an extensive digital library for research and reference.

### **Sports & Cultural Engagement:**

- The Department of Sports at the institute actively organizes various indoor and outdoor events.
- Notably, the institute secured 10th place among 138 affiliated colleges in the Karnataka State Law University sports rankings for the academic year 2024.

### **Residential Facilities:**

The institute offers safe and comfortable separate hostel accommodations for both girls and boys, ensuring a conducive and secure living environment.

### **Safety Measures:**

- 24/7 CCTV surveillance is installed across all key areas of the campus.
- Presence of round-the-clock security staff
